Infinite Mandarin Learning

- Native Mandarin speakers and experienced teachers
- Fun-story telling (Chinese idioms, Chinese histories, poems, celebrities...)
- Classic Chinese movie watching and explaining (Mulan, Monkey King, Lotus Lantern...)
- Chinese tradition introducing (Chinese festivals, zodiac, food, famous places...)

STEM, Math, and Nature Time

- Traditional VS. Modern technologies comparison (paper printing, fireworks, compass and GPS, printing, seismometer...)
- Software learning (3D print, office software, e-card design...)
- Scientists' stories (Einstein, Madame Curie, Nikola Tesla, Thomas Edison...)
- Math exercise by kids' own levels
- To understand nature (mammal and amphibian, rare animals, plants and the Earth, waste, pollution and protection, environmental engineering...)

Arts and Crafts

- Chinese crafting
- Chinese drawing and painting
- Eco-friendly recycled arts (cereal boxes, paper towel rolls, corks, egg cartons, jar lids...)
- Singing and dancing
- Mini show*

Other Fun Activities:

- Kids' Kungfu
- Weekly mandarin competition for unique trophies!
- IQ-building card games and toys...
